

MOLOKA'I GENERAL HOSPITAL

REGISTERED NURSE/CASE MANAGER

Molokai General Hospital, a Queen's Health System Company, is looking for a Full-Time Registered Nurse/Case Manager. The RN/Case Manager actively supports and participates in direct patient care and the coordination of continued care. They actively participate in health care education, case management program development, community networking, and clinic cost management. **The RN/Case Manager reports to the Paul G. Stevens, M.D. Outpatient Clinic.**

Molokai is the fifth largest island in the Hawaiian chain. It is unspoiled, reminiscent of old Hawaii, abundant with natural beauty, and boasts the longest white sand beach in Hawaii.

Are you looking for an enriched cultural experience? Working at Molokai General Hospital means having the opportunity to provide quality health care and improve the well-being of the entire Molokai community. Come and discover the resources, support, and opportunity you need to build the career you've always wanted.

Qualifications:

- Graduate of an accredited School of Nursing, BSN preferred.
- Hawaii State Licensure as a Registered Nurse.
- BLS/HCP level certification.
- One (1) year clinical experience preferred.
- Ability to speak, read, write, and understand English effectively.
- Ability to keep clear and concise records.
- Experience in data collection and input.
- Ability to communicate effectively with people, including establishing and sustaining positive relationships.

COMMENTS: One (1) Regular Full-Time position.
