

MOLOKAI GENERAL HOSPITAL

STAFF NURSE/QUALITY/INFECTION CONTROL SPECIALIST

Molokai General Hospital, a Queen's Health System Company, is looking for a Registered Nurse interested in rural health to work 36 hours per week on a rotating schedule. This position offers excellent benefits, exposure to acute care, obstetrics, and emergency nursing in a beautiful, well equipped hospital setting. This position is also responsible for overseeing the Quality Programs and serves as coordinator of the Infection Control Program.

Qualifications:

- Graduate of an accredited School for Nursing.
- Hawaii State Licensure as a Registered Nurse.
- BLS/HCP level certification.
- ACLS certification.
- NRP certification, required within one year of employment.
- PALS certification preferred.
- Completion of Trauma Nursing Core Course (TNCC) preferred.
- Knowledge of Acute/ED/OB nursing practices as well as new trends and techniques in nursing.

Previous experience preferred, but new graduates are welcome!

*Molokai General Hospital is a Health Professional Shortage Area (HPSA) site and applicants may qualify for the Nurse Corps Loan Repayment Program which helps to pay off a percentage of unpaid nursing student loans.

Molokai is the fifth largest island in the Hawaiian chain. It is unspoiled, reminiscent of old Hawaii, abundant with natural beauty, and boasts the longest white sand beach in Hawaii.

BENEFITS: Medical, Dental, Life insurance, Paid Time Off (PTO), and Extended Sick Leave (ESL).
